Foreign Language Learning – Trends You must know for Career Growth!

In this era of globalization, there is a huge demand for foreign language professionals. India is integrating itself with the global economy and is opening itself to newer opportunities. The success of these offshore opportunities relies on effective communication. Across job portals there are more than 30,000 job postings for various foreign languages at any given instance. These jobs span across all major sectors including IT, automobile, manufacturing and e-learning. With businesses trying to improve their global presence, this number is likely to grow manifold in the next decade

It's no surprise that today, learning a foreign language is regarded as a full-fledged career objective.

Learning Foreign Language(s) has all-round benefits and opportunities.

Student Testimonials

Fabian Kurian

ITESKUL provides one of the best experiences in learning languages. There are well trained teachers/mentors who give individual attention to students.

Hemantna Pawara

I like personal attention on student by class management. Management is always ready to solve student's problem. Faculties have deep knowledge about English language.

Shikha Bansal

I am learning German in ITESKUL, I have completed my A1 level here very happy and satisfied. Amazing teachers super co operative and helpful coordinators. I am Looking forward for German A2

Ruchika Chourey

I am doing my German A1 from ITESKUL. It has been a great experience till now. Friendly atmosphere. Everyone is very supportive. Would highly recommend studying here. One of the best in Pune!!

Sanchita Chhajer

I have been learning german and all i can say is that Iteskul provides us with everything that we look for. The teachers are Excellent , management is cooperative. I would recommend this to everyone who wish to learn any foreign language.

Nafisa Panjwani

Professional institute for learning French, trainer-Nita is too good as she cleared all basic concepts and grammer hence making the language easy to understand. Lots of creative ways are used for teaching new language (French) as card making, post card writing and games are also played.

Balaji Patil

One of the best institute for learning languages. All the faculties are well qualified & friendly with students, Administration is also very supportive I've just joined.

Arohit Kujur

For me ITESKUL Is one of the best institute for learning foreign languages. This institution is so economical but has best trainers. Especially with my experience for German language it is very good. I am extremely happy and satisfied for joining the institute for German Language.

Ashish Pawar

Currently studying german A2, the teacher and other staff are great they also motivate student overseas studies. I'll recommend this institute for sure. Also they too have other languages like Japanese, French etc.

Shubham Mane

I highly recommend ITESKUL as they are coordinating & their teaching staff is really good and especially Vaishnavi ma'am who has a great knowledge & skill in French language.

Swarna P

This place is just awesome to learn languages! I undertook German A1. It was a super intensive batch and our teacher was Akshay Sir. He made the learning really easy with numerous examples. Faculty and management are really very supportive. This Institute is highly recommended for learning foreign languages.

Saleem Shaikh

Awesome learning experience of Microsoft excel training conducted by Mr. Chirag Kothari. I really appreciate the way he has given the training to us. Thank you very much sir for your guidance. And we have learners lot of things in these 2 days Advance Excel training, Thank you.
